

MAKING THE MOST OF YOUR MOTORHOME with *THE FRIENDLY CLUB*

Whether you are a seasoned Motor Caravanner or new to owning a Motor Home, joining The Motor Caravan Section will make your holiday experiences more affordable, enjoyable, and **Friendly**.

What is the Motor Caravan Section?

The Section was started more than 60 years ago for like minded people to camp together, we have a nationwide network of Areas camping all over the UK including Scotland, Wales & Northern Ireland.

The Section is open to all Club members and all types of units. Meets are held most weekends throughout the year from 2 – 5 nights, and Holiday Meets.

Pre-booking is not necessary unless a Special Event is planned.

Each year our Section holds a National Meet usually over the Spring Bank Holiday. Each year this is hosted by a different Area and moves around the UK. This is the time to for all members to get together to meet old friends and make new ones and relax & have fun.

What benefits are available to Motor Caravan Section Members?

Members will receive our magazine “Waggoner’s Talk” 3 times a year Spring, Summer & Winter which contains informative and interesting articles. Reports from each of our Areas and of course details of their future meets.

The magazine is produced by our members for our members, and everyone is asked to contribute both articles and pictures.

Where do Section Meets take place?

Meets are held all over the country from North - South, East – West. So, wherever you may travel you should be able to find a meet. They are held throughout the year and can be just a relaxing weekend camping, or there may be Social Activities. Our Area Site Secretaries look for venues close to good walking areas and cycling, public transport, places of interest and quite often a local hostelry. However, if there is something happening on site you do not have to take part. Remember you are there to camp and enjoy our beautiful country.

Why should We/I join?

Joining our Section and making friends with likeminded members of all ages from all over the UK can transform your camping trips, whether it is a weekend or a holiday you will always find **Friendly** faces and a warm welcome. It can also open the door to our members extensive range of knowledge and experiences on all Motor Caravanning and Camping matters.

What does it cost per year?

The cost is **£8.00**. This goes towards the cost of the production and publication of our magazine Waggoners’ Talk, our website and towards our National Meet.
